Please also mark on the envelope "Seminar on "Energy Performance Contracting: An alternative to implementing energy improvement projects in existing buildings"

### **Terms and Conditions:**

1. Personal Data collected will be used for processing your application for admission, registration, administrative and statistical purposes and will also be used for marketing purposes, specifically for the purpose of sending you information relating to the respective alumni associations under the Federation. Personal Data will be treated in strict confidence. The Organizing Committee of this event implements a policy governing the collection, use and retention of Personal Data.
2. The Organizing Committee of this event reserves the rights to accept or reject any application.
3. The Organizing Committee of this event reserves the rights to change the contents, venue and/or time as may be necessary.
4. The seminar in the evening will be cancelled if typhoon signal No. 8 or above OR black rainstorm warning remains hoisted after (or is announced by the Hong Kong Observatory to be hoisted at/after) 11:45 a.m. You will be notified of the re-scheduling arrangement as soon as possible.
5. These terms and conditions are subject to revisions as may be set out the latest updates in the Organizers' website.
